

Serial No. 10/715,622

Remarks

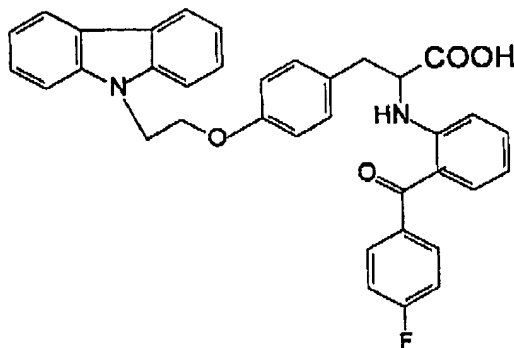

The Applicants respectfully elect Group I, at this time, as set forth by the Examiner.

The Applicants, for example, tentatively prefer the subgenus as follows:

R represents halogen, C<sub>1-6</sub>alkyl, amino, hydroxy, C<sub>1-6</sub>alkoxyl or aryl.

The Applicants tentatively elect the species as follows:

The Commissioner is authorized to charge any deficiency or credit any overpayment to Deposit Account No. 50-1943.

Respectfully submitted,

  
Patrick H. Higgins  
Attorney for the Applicants  
Registration No. 39,709
